

'Development Dialogue' in Hubballi on February 1

Hubballi: Innovations geared towards having a comprehensive impact on society, wherein public, private and civic concerns are addressed alone can have a lasting social impact, said Gururaj Deshpande here on Friday. Deshpande, announcing the schedule of Deshpande Foundation's flagship event 'Development Dialogue' and 'Startup Dialogue-2020' slated to be held in Hubballi from February 1, said that the theme of this year's dialogue would 'Aligning Intention, Innovation and Impact'.

"Leaders, policymakers and stakeholders in the industrial sector will attend the event. They will share their innovative ideas and ways to implement some of their best practices to achieve scalable social impact," said Deshpande. TNN
